THE VEHICLE PEOPLE

Outer Circle

Purpose:  
Acts as a boundary and stabilizer.

Function:  
Frames the internal geometry,  
creating visual unity and proportion.

Symbolism:  
Continuity, balance, and protection.

Stylized "A" Form

Purpose:  
Central identity element derived  
from the brand's initial.

Symbolism:  
Precision, strength, and direction.

Central Negative Space (Diamond Shape)

Purpose: Provides contrast and breathing space inside the form.

Structure: A vertically oriented hexagonal void formed by mirrored angles of the "A."

Symbolism: Focus, refinement, and engineered symmetry.
