

**GRAND ESTATE**

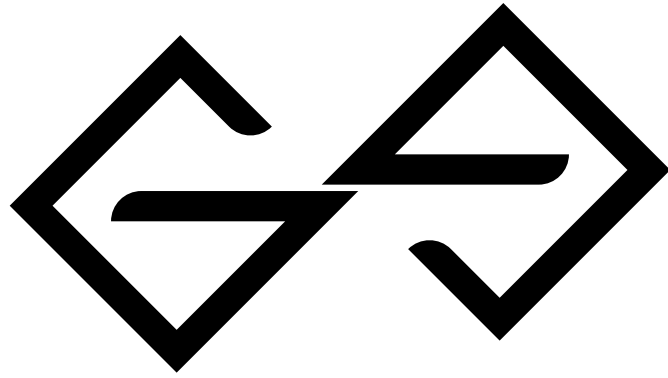

# Logo Breakdown

The logo design features a minimalistic and symmetric style, characterized by clean, geometric shapes that subtly form the letters "G" and "e". The design comprises two diamond-shaped elements positioned side by side, with one element slightly rotated. The left diamond incorporates a horizontal bar intersecting the shape, creating the letter "G" through its negative space. The right diamond mirrors this, with a curved line forming the letter "e". This symmetry not only enhances the visual balance but also represents the reflection of a mountain, fitting the thematic concept of nature and simplicity. The overall design maintains a modern and professional look, suitable for various branding purposes.
